

Kemberton is a leading provider of technology-enabled revenue cycle management services to hospitals for complex claims. We specialize in the management and collection of 3rd party liability claims, workers' compensation and motor vehicle accident claims and the resolution of insurance denials for hospitals and physician practice groups

KEMBERTON

COMPLEX CLAIMS MADE SIMPLE

REVENUE

Increase cash by maximizing reimbursement

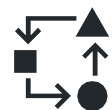

LOWER A/R DAYS

Dedicated, experienced teams to expedite resolution

COMPLIANCE

Reduce compliance risk with the Kemberton Capture education program

FLEXIBILITY

Time consuming claims made efficient and profitable, freeing up internal resources

LIABILITY ACCOUNTS

As an aggressive partner and patient advocate, Kemberton is an effective resource for hundreds of hospitals across the country, maximizing reimbursement and lowering A/R days.

Our liability account solution reduces denials and accounts moved to self-pay by focusing on getting it right from the start. With our Kemberton Capture hospital registration training, and dedicated liability account teams, we quickly identify and bill first-party benefits. On the back-end we ensure bills are included in settlements, expedite resolution, and confirm proper health payments. Our proven method, proprietary software, and team of experienced professions make Kemberton a successful resource for our hospital partners.

HOW WE WORK

- ✓ **All work is done on a contingency basis**
- ✓ **Start to finish**
We handle the full scope of the liability claim. Acting as a provider partner, we free up your internal resources to focus on core competencies.
- ✓ **Free, ongoing education program for registration staff**
Equipping our hospital partners with the knowledge and resources needed for proper identification is essential for success.
